The Company's book value per share attributable to Bexil shareholders at December 31, 2016 was \$18.64, based on shareholders' equity attributable to Bexil shareholders of \$18.2 million and 977,168 shares issued and outstanding, share, up 7.8% from \$17.29 per share a year earlier.

### **2017 Annual Meeting of Stockholders**

Bexil announced today that its 2017 annual meeting of stockholders will be held at 11 Hanover Square, 12th Floor, New York, New York on June 15, 2017 at 11:30 a.m., local time. Stockholders of record at the close of business on April 17, 2017 are entitled to receive notice of and to vote at the meeting. After the formal business of the meeting is concluded, company executives will make a presentation of financial results and business developments, and respond to questions. To access the annual meeting and presentation by conference call, please dial 1-267-930-4000, Access Code: 509840#.

The Company's Combined 2017 Proxy Statement and 2016 Annual Report, including audited financial statements, is available on [www.Bexil.com](http://www.Bexil.com).

### **About Bexil Corporation**

Bexil is a holding company engaged through subsidiaries in investment management and securities trading. To learn more about Bexil, including Rule 15c2-11 information, please visit [www.Bexil.com](http://www.Bexil.com).

### **Safe Harbor Note**

This release contains certain "forward looking statements" made pursuant to the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. These statements involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of Bexil, which may cause the Company's actual results to be materially different from those expressed or implied by such statements. Investors should carefully consider the risks, uncertainties and other factors, together with all of the other information included in the Company's Annual Report, at <http://www.bexil.com/cautionary-language.html>, and similar information. The forward looking statements made herein are only made as of the date of this release, and the Company undertakes no obligation to publicly update such forward looking statements to reflect subsequent events or circumstances.

The Company views book value per share, a non-GAAP financial measure, as an important indicator of financial performance. Presented in conjunction with other financial information, the combined presentation can enhance an investor's understanding of the Company's underlying financial condition and results from operations. The definition of book value as presented in this press release is shareholders' equity attributable to Bexil shareholders divided by currently issued and outstanding shares.
