**Audit Committee Report**

In accordance with its written charter adopted by the Board of Directors, the Audit Committee assists the Board of Directors in fulfilling its responsibility for oversight of the quality and integrity of the Company's financial reporting practices. The Audit Committee's primary duties and responsibilities are to: (i) monitor the integrity of the Company's financial reporting process and systems of internal controls regarding finance, accounting and legal compliance; (ii) monitor the independence and performance of the Company's independent public accountants and monitor the overall performance of the Company accounting agent; and (iii) provide an avenue of communication among the independent public accountants, management, the Company accounting agent, and the Board of Directors. The Audit Committee met one time in fiscal 2002.

In discharging its oversight responsibility as to the audit process, the Audit Committee discussed with the independent auditors their independence from the Company and its management. In addition, the independent auditors provided the Audit Committee with written disclosure regarding their independence and the letter required by Independence Standards Board Standard No. 1.

The Audit Committee discussed and reviewed with the independent auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, "Communication with Audit Committees," and discussed and reviewed the results of the independent auditors' examination of the Company's financial statements. The Audit Committee reviewed the audited financial statements of the Company for the fiscal year ended December 31, 2002 with management and the independent auditors. Management has the responsibility for the preparation of the Company's financial statements and the independent auditors have the responsibility for the examination of those statements.

Based upon review and discussions with management and the independent auditors, the Audit Committee recommended to the Board of Directors that the Company's audited financial statements be included in its Annual Report for the fiscal year ended December 31, 2002 for filing with the Securities and Exchange Commission. This report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Act of 1934, as amended, and shall not otherwise be deemed filed under such Acts. The Audit Committee Members are: Russell E. Burke III, Frederick A. Parker, Jr., and Douglas Wu. Representatives of Tait, Weller are not expected to be present at the Meeting but have been given the opportunity to make a statement if they so desire and are expected to be available to respond to appropriate questions.

## ADDITIONAL INFORMATION

At the Meeting, the presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at the meeting is sufficient to constitute a quorum. In the event that a quorum is not present at the Meeting, or if a quorum is present but sufficient votes to approve a proposal are not received, the chair of the meeting may adjourn the meeting to a later date and time not more than 120 days after the original record date without any other notice other than announcement at the Meeting. A stockholder vote may be taken for one or more proposals prior to any adjournment if sufficient votes have been received for approval. If a proxy is properly executed and returned accompanied by instructions to withhold authority to vote, represents a broker “non-vote” (that is, a proxy from a broker or nominee indicating that such person has not received instructions from the beneficial owner or other person entitled to vote shares of the Company on a particular matter with respect to which the broker or nominee does not have discretionary power) or marked with an abstention (collectively, “abstentions”), the Company’s shares represented thereby will be considered to be present at the Meeting for purposes of determining the existence of a quorum for the transaction of business. Under Maryland law, abstentions do not constitute a vote “for” or “against” a matter and will be disregarded in determining “votes cast” on an issue.

In addition to the use of the mails, proxies may be solicited personally, by telephone, or by other means, and the Company may pay persons holding its shares in their names or those of their nominees for their expenses in sending soliciting materials to their beneficial owners. The Company will bear the cost of soliciting proxies. Authorizations to execute proxies may be obtained by telephonic instructions in accordance with procedures designed to authenticate the stockholder’s identity. In all cases where a telephonic proxy is solicited, the stockholder will be asked to provide his or her address, social security number (in the case of an individual) or taxpayer identification number (in the case of an entity) or other identifying information and the number of shares owned and to confirm that the stockholder has received the Company’s Proxy Statement and proxy card in the mail. Within 72 hours of receiving a stockholder’s telephonic voting instructions and prior to the Meeting, a confirmation will be sent to the stockholder to ensure that the vote has been taken in accordance with the stockholder’s instructions and to provide a telephone number to call immediately if the stockholder’s instructions are not correctly reflected in the confirmation. Stockholders requiring further information with respect to telephonic voting instructions or the proxy generally should contact the Company’s transfer agent at 1-800-937-5449. Any stockholder giving a proxy may revoke it at any time before it is exercised by submitting to the Company a written notice of revocation or a subsequently executed proxy or by attending the meeting and voting in person.

### **Discretionary Authority; Submission Deadlines for Stockholder Proposals**

Although no business may come before the Meeting other than that specified in the Notice of Annual Meeting of Stockholders, shares represented by executed and unrevoked proxies will confer discretionary authority to vote on matters which the Company did not have notice of a reasonable time prior to mailing this Proxy Statement to stockholders. The Company’s Bylaws provide that in order for a stockholder to nominate a candidate for election as a Director at an annual meeting of stockholders or propose business for consideration at such meeting, written notice generally must be delivered to the Secretary of the Company, at the principal executive offices, not less than 60 days nor more than 90 days prior to the first anniversary of the mailing of the notice for the preceding year’s annual meeting. Accordingly, pursuant to such Bylaws and Rule 14a-5(e)(2) of the 1934 Act, a stockholder nomination or proposal intended to be considered at the 2004 Annual Meeting must be received by the Secretary no earlier May 3, 2004 nor later than June 2, 2004. Proposals should be mailed to Bexil Corporation, to the attention of the Company’s Secretary, Monica Pelaez, 11 Hanover Square, New York, New York 10005. In addition, if you wish to have your proposal considered for the inclusion in the Company’s 2004 Proxy Statement, we must receive it on or before April 3, 2004 pursuant to Rule 14a-8(e)(2). The submission by a stockholder of a proposal for inclusion in the proxy statement or presentation at the Meeting does not guarantee that it will be included or presented. Stockholder proposals are subject to certain requirements under the federal securities laws and the Maryland General Corporation Law and must be submitted in accordance with the Company’s Bylaws.

### **Compliance with Section 16(a) Beneficial Ownership Reporting**

Section 16(a) of the Securities Exchange Act of 1934, and rules thereunder, requires the Company’s Directors and officers, and any persons holding 10% or more of its common stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the American Stock Exchange. Based on the Company’s review of the copies of such forms it receives, the Company believes that during the calendar year ended 2002, such persons complied with all such applicable filing requirements.

### **Notice to Banks, Broker/Dealers and Voting Trustees and Their Nominees**

Please advise the Company’s transfer agent, American Stock Transfer & Trust Company, at 1-800-937-5449 whether other persons are the beneficial owners of the shares for which proxies are being solicited and, if so, the number of copies of this Proxy Statement and other soliciting material you wish to receive in order to supply copies to the beneficial owners of shares.

*It is important that proxies be returned promptly. Therefore, stockholders who do not expect to attend the meeting in person are urged to complete, sign, date and return the enclosed proxy card in the enclosed stamped envelope*

## **APPENDIX**

### **AUDIT COMMITTEE CHARTER**

1. The Audit Committee shall have a minimum of three members and shall consist of all Board members who are “independent directors” in accordance with the American Stock Exchange rules.
2. The purposes of the Audit Committee are:
  - a. to oversee the Company’s accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers;
  - b. to oversee the quality and objectivity of the Company’s financial statements and the independent audit thereof; and
  - c. to act as a liaison between the Company’s independent auditors and the full Board of Directors.

The function of the Audit Committee is oversight. The Company's management is responsible for (i) the preparation, presentation and integrity of the Company's financial statements, (ii) the maintenance of appropriate accounting and financial reporting principles and policies and (iii) the maintenance of internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The auditors are responsible for planning and carrying out proper audits and reviews. In fulfilling their responsibilities hereunder, it is recognized that members of the Audit Committee are not full-time employees of the Company and are not necessarily, and do not necessarily represent themselves to be, accountants or auditors by profession or experts in the fields of accounting or auditing. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct "field work" or other types of auditing or accounting reviews or procedures. Each member of the Audit Committee shall be entitled to rely on (i) the integrity of those persons and organizations within and outside the Company from which it receives information and (ii) the accuracy of the financial and other information provided to the Audit Committee by such persons and organizations absent actual knowledge to the contrary (which shall be promptly reported to the Company's Board). In addition, the review of the Company's financial statements by the Audit Committee is not of the same quality as audits performed by the independent accountants, nor does the Audit Committee's review substitute for the responsibilities of the Company's management for preparing, or the independent accountants for auditing, the financial statements.

3. To carry out its purposes, the Audit Committee shall have the following duties and powers:

- a. to recommend the selection, retention or termination of auditors and, in connection therewith, to evaluate the independence of the auditors, including whether the auditors provide any consulting services to the Company's affiliates (it being understood that the auditors are ultimately accountable to the Audit Committee and the Company's Board and that the Audit Committee and the Company's Board shall have the ultimate authority and responsibility to select, evaluate, retain and terminate auditors, subject to any required stockholder vote);
- b. to ensure receipt of a formal written statement from the auditors on a periodic basis specifically delineating all relationships between the auditors and the Company; to discuss with the auditors any disclosed relationships or services that may impact the auditors' objectivity and independence; and to take, or recommend that the full Board take, appropriate action to oversee the independence of the auditors;
- c. to meet with the Company's auditors, including private meetings, as necessary (i) to review the arrangements for and scope of the annual audit and any special audits; (ii) to discuss any matters of concern relating to the Company's financial statements, including any adjustments to such statements recommended by the auditors, or other results of said audit(s); (iii) to consider the auditors' comments with respect to the Company's financial policies, procedures and internal accounting controls and management's responses thereto; and (iv) to review the form of opinion the auditors propose to render to the Company;
- d. to consider the effect upon the Company of any changes in accounting principles or practices proposed by management or the auditors;
- e. to review the audit and non-audit services provided to the Company by the auditors and the fees charged for such services;
- f. to consider for pre-approval any non-audit services proposed to be provided by the auditors to the Company, and any non-audit services proposed to be provided by such auditors to the Company which have a direct impact on Company operations or financial reporting. Such pre-approval of non-audit services proposed to be provided by the auditors to the Company is not necessary, however, under the following circumstances: (1) all such services do not aggregate to more than 5% of total revenues paid by the Company to the auditor in the fiscal year in which services are provided, (2) such services were not recognized as non-audit services at the time of the engagement, and (3) such services are brought to the attention of the Audit Committee, and approved by the Audit Committee, prior to the completion of the audit;
- g. to review the status of the Audit Committee members to determine if any of them may be considered a "financial expert" as defined in Section 407 of the Sarbanes-Oxley Act of 2002 and make recommendations regarding the "financial expert" determination to the full Board;
- h. to receive copies of any complaints received by the Company regarding accounting, internal

accounting controls or auditing matters and review such complaints, and take appropriate actions, if any. The Committee shall ensure that any such complaints received from employees of the Company are treated on a confidential basis and that such submissions need not identify the submitting employee by name;

- i. to investigate improprieties or suspected improprieties in Company operations; and
  - j. to report its activities to the full Board on a periodic basis and to make such recommendations with respect to the above and other matters as the Audit Committee may deem necessary or appropriate.
4. The Audit Committee shall meet on a regular basis and is empowered to hold special meetings as circumstances require.
  5. The Audit Committee shall regularly meet with the Company's management, including financial personnel.
  6. The Audit Committee shall have the resources and authority appropriate to discharge its responsibilities, and shall have the discretion to institute investigations of improprieties or suspected improprieties and is vested with authority to retain special counsel and other experts or consultants at the expense of the Company.
  7. The Audit Committee shall review the adequacy of this Charter at least annually and recommend any changes to the full Board. The Board shall also review and approve this Charter at least annually.
  8. The Company must certify to the American Stock Exchange ("AMEX") that:
    - a. It has adopted this formal written Charter and the Audit Committee has annually reviewed and reassessed the adequacy of this Charter;
    - b. It has and will continue to have an Audit Committee of at least three members, comprised solely of independent directors to the extent required by AMEX rules, each of whom is able to read and understand fundamental financial statements, including a company's balance sheet, income statement, and cash flow statement or will become able to do so within a reasonable period of time after his or her appointment to the Audit Committee; and
